In Re: Docket No. 2020-260-T - Application of Anytyme Movers LLC for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier

Dear Mr. Williams:

On October 29, 2020, Anytyme Movers LLC ("Anytyme Movers") filed an application with this Commission for a Class E (Household Goods) Certificate of Public Convenience and Necessity. The purpose of this letter is to inform you that to date, your company has failed to comply with the publication requirements of the Commission's rules and regulations.

Per the Commission's October 30, 2020 letter, Anytyme Movers was to publish, one time, at its own expense, on or before November 16, 2020, the Notice of Filing in newspapers of general circulation and provide proof of publication on or before December 7, 2020. To date, the Commission has not received proof of publication. If proof of publication is not received from your company by December 23, 2020, this Docket will be presented before the Commission for dismissal.

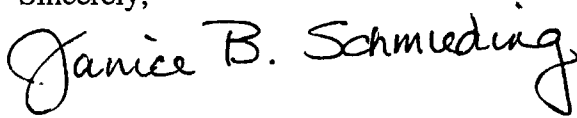

In the event that Anytyme Movers has not yet published the Notice of Filing as outlined in the Commission's October 30, 2020 letter, your company must request an extension of the publication requirements no later than December 23, 2020.
